Hi Boyd,

We received an emailed copy of Todd's transfer application, so we're getting close. I imagine we'll receive both your W-9 and Reclamation Contract, etc, as well as Todd's application in the next day or two.

Attached are the proposed location and operations map. See what you think, and read the notes.

Will you also respond by email to let me know whether the attached maps are acceptable to include in your Notice as well? If not, let me know, or if you have questions. Thanks.

Peter
